SUMMARY

I'm Carlos Rivas Juarez, a full-stack web developer and graduate of The Coding Boot Camp at UNC-Chapel Hill, where I honed my skills in HTML, CSS, JavaScript, React.js, Git, and more through interactive virtual classes and hands-on projects. With a strong background in customer service, I excel in communication and problem-solving while collaborating with teams and clients. Fluent in English and Spanish, I adapt well to diverse environments and am dedicated to continuous learning and growth. My work experience spans from assessing vehicle conditions at CarMax to hardwood floor installation and cashier/customer service roles in the food industry. Combining my technical expertise with excellent interpersonal skills, I'm eager to make a positive impact on your team and projects.
